Hi Brian,

I haven't forgotten about this yet. My Finance Director is out until Thursday/Friday, and I want to run this by her first to ensure that it doesn't need to go back to Council. I hope to have an answer for you by this week.

Hi Kevin,

I finally received a quote from Vigilant for the complete installation of both cubes. Somehow Vigilant was confused and thought we were doing the pad and electrical. Anyway this quote would complete the project and comes to an additional \$9,225 (split in two it would be \$4,612.50 each). Let me know if you are OK with this and I will get an agreement over to you for signature and we can pull a purchase order.

Take care,

Brian
